DEDICATION

We, the Class of 1994, are honored to be able to dedicate our Yearbook to a person who has been not only a teacher, but an advocate and a friend during our four years at Woburn High. In a subdued, professional and refined manner, he has made our high school years both educationally productive and socially enjoyable. His tireless contributions of time and effort on our behalf have been greatly appreciated.

With thanks, we dedicate the 1994 INNITOU to:

Mr. Alfred Pappalardo

To the Graduation Class of 1994,

First, may I take this opportunity to offer my sincere congratulations to each of you and your family upon your graduation with the Class of 1994. You are a very special class to me in that I join with you in your graduation as I complete thirteen and one-half years as Superintendent of Schools and twenty years of educational supervision in the City of Woburn where I was born too many years ago for you to remember. I am very proud to be a Woburn native and resident since birth.

At the time I became Superintendent of Schools you were just starting your educational program with the Woburn schools or possibly the schools in another community. We are very much joined together in these years. While each of you moved from grade to grade, I was also moving in my stewardship over your future academic efforts. With your parents and other family members we brought you to this happy day in 1994. I am so very proud of each of you.

The world has changed so much over our journey together. We have gone through a time when we have seen Germany united and Russia and other European countries democratized; but still, as I prepare these comments, we see major problems in Bosnia and other parts of our world.

America is a great country. Woburn is a great city. The reality, however, is that you need to be a contributing part of our Country and our City. I ask each of you today to give of yourselves so that we become a greater Country and a greater City through your efforts as graduates of the Woburn High School Class of 1994.

Sincerely,

Paul J. Andrews
Superintendent of Schools

Dear Seniors:

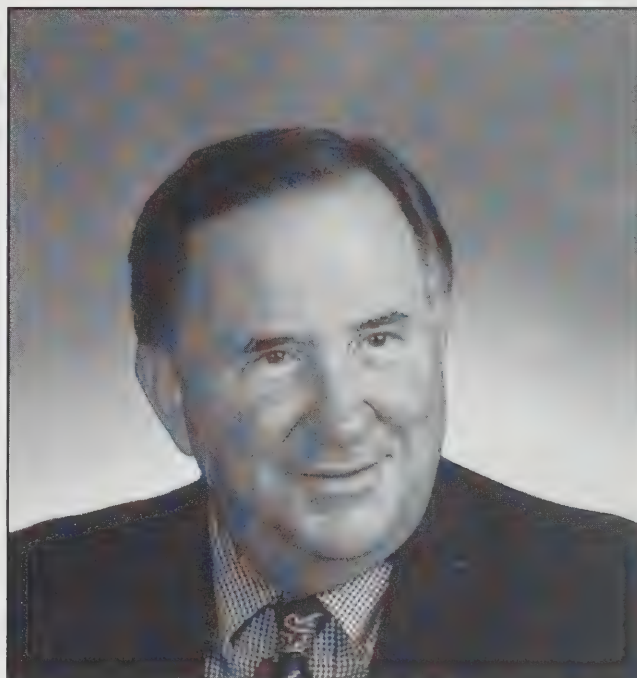

First of all let me thank all of you for the warm reception you've given me my first year at Woburn. The senior class has made my task much easier by your co-operative and supportive attitude.

Much of what you have taken from the Woburn High School community you'll appreciate as the years go by and you take time to reflect back. Memories of a favorite class, a favorite teacher, a club, a concert, a play, a lunch, a relationship all have more poignance when we are older. However, be assured that the sense you have of yourself as a member of the Woburn High School Class of 1994 will never leave you but rather grow through the years.

Best wishes to all of you as you leave our school. We wish you all health, happiness and a good life.

Sincerely,

Robert C. Norton
